Significant Cases

- Car Theft on 01-05-2015: The caller reported his vehicle taken from his home on Center Street West at 0229 hours. A PCSD Deputy arrived 7 minutes later and broadcast the vehicle description to regional law enforcement officers and took the theft report under the afterhours contract with PCSD. Deputies positioned themselves along main arterials and the vehicle was seen northbound in the 28800 block of Meridian at 0249 hours. Short pursuit by Deputies and two subjects in custody at 0256 hours (one local to Eatonville and one to Bonney Lake).

- Deputies behind car 20 minutes after theft reported. Owner notified his undamaged car was recovered within 30 minutes of theft report.
 - This is a testimonial for two actions by the current Town Council members
 - After hours 911 contract with PCSD (previously, an off duty EPD officer would have responded from residence – reporting delay).
 - Contracting police dispatching services to South Sound 911, as we are now tied into the regional law enforcement radio system (previously, dispatched by Fife dispatch, with no local law enforcement on the same radio system).
