

RESOLUTION 2012-00

**A RESOLUTION OF THE EATONVILLE TOWN COUNCIL REPEALING
RESOLUTION 2012-FF AND AWARDING A CONTRACT FOR
CONSTRUCTION SERVICES TO ERRG, INC. RELATED TO THE
INSTALLATION OF A LINER TO THE EATONVILLE WASTEWATER
TREATMENT PLAN**

WHEREAS, the Council of the Town of Eatonville authorized the procurement of a loan through Resolution 2011-DD for construction services that include installation of an HDPE geomembrane liner to the Eatonville Wastewater Treatment Plant (“Wastewater Treatment Lagoon Project”),

WHEREAS, said loan was obtained and funding for the project is accounted for in the budget previously adopted by Council;

WHEREAS, the Town called for bids for the construction of the wastewater lagoon liner, which were tabulated by the Town’s consultant, Parametrix, on March 30, 2012, and yielded the following results (which have been adjusted to account for the correct sales tax rate, which is 7.9%):

<u>NAME</u>	<u>AMOUNT</u> <u>(INCLUDING 7.9% SALES TAX)</u>
Stan Palmer Construction, Inc.	\$1,050,158.33
ERRG, Inc.	\$1,129,839.97
Olson Bros., Inc.	\$1,338,844.78
Nova Contracting, Inc.	\$1,404,170.68
MJ Hughes Construction, Inc.	\$1,625,999.05

WHEREAS, the Council of the Town of Eatonville passed Resolution 2012-FF that awarded the contract to Stan Palmer Construction, Inc.,

WHEREAS, subsequent to the passage of Resolution 2012-FF, Parametrix discovered that Stan Palmer Construction’s bid was non-responsive in that it did not provide for a lawful disposal of biosolids, a finding confirmed by the Washington State Department of Ecology;

WHEREAS, Stan Palmer Construction subsequently withdrew its bid, leaving ERRG, Inc. as the lowest responsive bid by a responsible bidder;

WHEREAS, ERRG, Inc. appears qualified to do the work;

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Eatonville as follows:

Section 1. Resolution 2012-FF and the award to Stan Palmer Construction, Inc. is hereby repealed, as Stan Palmer Construction withdrew its bid after the Town's Engineer determined that the bid was non-responsive.

Section 2. ERRG, Inc. is awarded the bid for the construction of the Wastewater Lagoon Liner Project in the amount of \$1,047,117.67, plus applicable Washington State sales tax at 7.9% of \$82,722.30, for a total contract price of \$1,129,839.97.
