**AN ORDINANCE OF THE TOWN OF EATONVILLE,
WASHINGTON, GRANTING ASTOUND BROADBAND, LLC DBA
WAVE A NON-EXCLUSIVE FRANCHISE FOR THE
TRANSMISSION OF TELECOMMUNICATIONS IN, THROUGH,
OVER AND UNDER THE RIGHTS-OF-WAY OF THE TOWN OF
EATONVILLE**

WHEREAS, Astound Broadband, LLC, a Washington limited liability company (“Grantee”) has requested that the Town grant it the right to install, operate and maintain a fiber optic-based telecommunications system within the public Rights-of-Way of the Town; and

WHEREAS, the Eatonville Town Council finds it desirable for the welfare of the Town and its residents that such a non-exclusive franchise be granted to Grantee; and

WHEREAS, pursuant to RCW 35.27.330, the Town Council has the authority under state law to grant non-exclusive franchises for the use of its Rights-of-Way; and

WHEREAS, the Town is willing to grant the rights requested by Grantee subject to certain terms and conditions; now, therefore,

**BE IT ORDAINED BY THE COUNCIL OF THE TOWN OF EATONVILLE
AS FOLLOWS:**

Section 1. Definitions. Where used in this Ordinance and the franchise granted hereby (the "Franchise") these terms have the following meanings:

- A. “Affiliate” means an entity which owns or controls, is owned or controlled by, or is under common ownership with Grantee.
- B. “Town” means the Town of Eatonville, a municipal corporation of the State of Washington.
- C. “Emergency Situation” means an emergency involving likely loss of life or substantial property damage as determined by the Town in good faith.
- D. “Facilities” means Grantee’s fiber optic cable system constructed and operated within the Town’s Rights-of-Way, and shall include all cables, wires, conduits, ducts, pedestals and any associated converter, equipment or other facilities within the Town’s Rights-of-Way, designed and constructed for the purpose of providing

Telecommunications Service and other lawful services not prohibited by this Ordinance.

E. "Franchise" shall mean the initial authorization or renewal thereof, granted by the Town, through this Ordinance, or a subsequently adopted Ordinance, which authorizes construction and operation of the Grantee's Facilities for the purpose of offering Telecommunications Service and other lawful services not prohibited by this Ordinance.

F. "Franchise Area" means the present municipal boundaries of the Town, and shall include any additions thereto by annexation or other legal means.

G. "Person" means an individual, partnership, association, joint stock company, trust, corporation, limited liability company or governmental entity.

H. "Rights-of-Way" means the surface of, and the space above and below, any public street, highway, freeway, bridge, land path, alley, court, boulevard, sidewalk, parkway, way, lane, public way, drive, circle or other public Right-of-Way, including, but not limited to, public utility easements, dedicated utility strips or rights-of-way dedicated for compatible uses and any temporary or permanent fixtures or improvements located thereon now or hereafter held by the Town in the service area which shall entitle the Town and the Franchisee to the use thereof for the purpose of installing, operating, repairing and maintaining the Telecommunications Service. Rights of Way shall also mean any easement now or hereafter held by the Town within the service area for the purpose of public travel, or for utility or public service use dedicated for compatible uses, and shall include other easements or Rights-of-Way as shall within their proper use and meaning entitle the Town and the Franchisee to the use thereof for the purpose of installing or transmitting Franchisee's Telecommunications Service over poles, wires, cables, conductor, ducts, conduits, vaults, manholes, amplifiers, compliances, attachments and other property as may be ordinarily necessary and pertinent to the Telecommunications Service.

I. "Telecommunications Service" means any telecommunications service, telecommunications capacity, or dark fiber, provided by the Grantee using its Facilities, either directly or as a carrier for its Affiliates, or any other Person engaged in Telecommunications Services, including, but not limited to, the transmission of voice, data or other electronic information, facsimile reproduction, burglar alarm monitoring, meter reading and home shopping, or other subsequently developed technology that carries a signal over fiber optic cable. Telecommunications Service shall also include non-switched, dedicated and private line, high capacity fiber optic transmission services to firms, businesses or institutions within the Town and other lawful services not prohibited by this Ordinance. However, Telecommunications Service shall not include the provision of "cable services", as defined by 47 U.S.C.

§522, as amended, for which a separate franchise would be required.

Section 2. Franchise Area and Authority Granted.

A. Facilities within Franchise Area. The Town does hereby grant to Grantee the right, privilege, authority and franchise to construct, support, attach, connect and stretch Facilities between, maintain, repair, replace, enlarge, operate and use Facilities in, upon, over, under, along and across Rights-of-Way in the Franchise Area for purposes of telecommunications service as defined in RCW 82.04.065.

B. Permission Required to Enter Onto Other Town Property. Nothing contained in this Ordinance is to be construed as granting permission to Grantee to go upon any other public place other than Rights-of-Way within the Franchise Area in this Ordinance. Permission to go upon any other property owned or controlled by the Town must be sought on a case by case basis from the Town.

C. Compliance with WUTC Regulations. At all times during the term of the Franchise, Grantee shall fully comply with all applicable regulations of the Washington Utilities and Transportation Commission.

Section 3. Construction and Maintenance.

A. Grantee's Facilities shall be located, relocated and maintained within the Rights-of-Way in accordance with Eatonville Municipal Code ("EMC") Chapter 12.08 and so as not to unreasonably interfere with the free and safe passage of pedestrian and vehicular traffic and ingress or egress to or from the abutting property and in accordance with the laws of the State of Washington. Whenever it is necessary for Grantee, in the exercise of its rights under the Franchise, to make any excavation in the Rights-of-Way, Grantee shall obtain prior approval from the Town of Eatonville Public Works Department, pay the applicable permit fees, and obtain any necessary permits for the excavation work pursuant to EMC Title 12. Upon completion of such excavation, Grantee shall restore the surface of the Rights-of-Way to the specifications established within the Eatonville Municipal Code and City of Eatonville Public Works Policies and Standards. If Grantee should fail to leave any portion of the excavation in a condition that meets the Town's specifications per the EMC and Public Works Policies and Standards, the Town may, on five (5) days' notice to Grantee, which notice shall not be required in case of an Emergency Situation, cause all work necessary to restore the excavation to a safe condition. Grantee shall pay to the Town the reasonable cost of such work; which shall include, among other things, the Town's overhead in obtaining completion of said work (provided that in no event shall such overhead exceed 5% of the total costs, fees and expenses of third parties).

B. Any surface or subsurface failure occurring during the term of this Agreement

caused by any excavation by Grantee shall be repaired to the Town's specifications, within thirty (30) days, or, upon five (5) days written notice to Grantee, the Town may order all work necessary to restore the damaged area to a safe and acceptable condition and Grantee shall pay the reasonable costs of such work to the Town, including Town overhead (provided that in no event shall such overhead exceed 5% of the total costs, fees and expenses of third parties).

C. In the event of an Emergency Situation, Grantee may commence such emergency and repair work as required under the circumstances, provided that Grantee shall notify the Town Public Works Director in writing as promptly as possible before such repair or emergency work commences, or as soon thereafter as possible, if advanced notice is not reasonably possible. The Town may act, at any time, without prior written notice in the case of an Emergency Situation, but shall notify Grantee in writing as promptly as possible under the circumstances.

D. Grantee agrees that if any of its actions under the Franchise materially impair or damage any Town property, survey monument, or property owned by a third-party, Grantee will restore, at its own cost and expense, the impaired or damaged property to the same condition as existed prior to such action. Such repair work shall be performed and completed to the reasonable satisfaction of the Public Works Director.

Section 4. Location and Relocation of Facilities.

A. Grantee shall place any new Facilities underground where existing telecommunications and cable facilities are located underground. Any new Facilities to be located above-ground shall be placed on existing utility poles. No new utility poles shall be installed in connection with placement of new above-ground Facilities.

B. Grantee recognizes the need for the Town to maintain adequate width for installation and maintenance of sanitary sewer, water and storm drainage utilities owned by the Town and other utility providers. Thus, the Town reserves the right to maintain clear zones within the public Right-of-Way for installation and maintenance of said utilities. The clear zones for each Right-of-Way segment shall be noted and conditioned with the issuance of each Right-of-Way permit. If adequate clear zones are unable to be achieved on a particular Right-of-Way, Grantee shall locate in an alternate Right-of-Way, obtain easements from private property owners, or propose alternate construction methods which maintain and/or enhance the existing clear zones.

C. Except as otherwise required by law, Grantee agrees to relocate, remove or reroute its Facilities as ordered by the Town, at no expense or liability to the Town, except as may be required by Chapter 35.99 RCW. Pursuant to the provisions of Section 5 below, Grantee agrees to protect and save harmless the Town from any third-party claims for service interruption or other losses in connection with any such change or

relocation other than Town's negligence or willful misconduct.

D. If the Town determines that a project necessitates the relocation of the Grantee's existing Facilities, then:

1. Within a reasonable time, which shall be no less than ninety (90) days prior to the commencement of the project, the Town shall provide the Grantee with written notice requiring relocation; provided that in the event of an Emergency Situation beyond the control of the Town and which will result in severe financial consequences to the Town or its citizens or businesses, the Town shall give the Grantee written notice as soon as practicable;

2. The Town shall provide the Grantee with copies of information for such improvement project and a proposed location for the Grantee's Facilities so that Grantee may relocate its Facilities in other Rights-of-Way in order to accommodate the project; and

3. The Grantee shall complete relocation of its Facilities at no charge or expense to the Town so as to accommodate the project at least ten (10) days prior to commencement of the project. In the event of an Emergency Situation as described in this Section, the Grantee shall relocate its Facilities within the reasonable time period specified by the Town.

E. The Grantee may, after receipt of written notice requesting a relocation of its Facilities, submit to the Town written alternatives to such relocation. The Town shall evaluate such alternatives and advise the Grantee in writing if one or more of the alternatives are suitable to accommodate the work, which would otherwise necessitate relocation of the Facilities. If so requested by the Town, the Grantee shall submit additional information to assist the Town in making such evaluation. The Town shall give each alternative proposed by the Grantee full and fair consideration, within a reasonable time, so as to allow for the relocation work to be performed in a timely manner. In the event the Town ultimately determines that there is no other reasonable alternative, the Grantee shall relocate its Facilities as otherwise provided in this Section.

F. The provisions of this Section shall in no manner preclude or restrict the Grantee from making any arrangements it may deem appropriate when responding to a request for relocation of its Facilities by any Person or entity other than the Town, where the Facilities to be constructed by said Person or entity are not or will not become Town-owned, operated or maintained Facilities; provided, that such arrangements shall not unduly delay a Town construction project.

G. The Grantee shall indemnify, hold harmless and pay the costs of defending the Town against any and all third party claims, suits, actions, damages, or liabilities for

delays on Town construction projects caused by or arising out of the failure of the Grantee to relocate its Facilities in a timely manner; provided, that the Grantee shall not be responsible for damages due to delays caused by the Town or circumstances beyond the reasonable control of the Grantee.

H. In the event that the Town orders the Grantee to relocate its Facilities for a project which is primarily for private benefit, the private party or parties causing the need for such project shall reimburse the Grantee for the cost of relocation in the same proportion as their contribution to the total cost of the project.

I. In the event of an unforeseen Emergency Situation that creates a threat to public safety, health or welfare, the Town may require the Grantee to relocate its Facilities at its own expense, any other portion of this Section notwithstanding.

Section 5. Indemnification.

A. Grantee shall indemnify, defend and hold the Town, its agents, officers, employees, volunteers and assigns harmless from and against any and all third party claims, demands, liability, loss, cost, damage or expense of any nature whatsoever, including all costs and reasonable attorney's fees, made against them on account of injury, sickness, death or damage to persons or property which is caused by or arises out of, in whole or in part, the willful, tortious or negligent acts, failures and/or omissions of Grantee or its agents, servants, employees, contractors, subcontractors or assigns in the construction, operation or maintenance of its Facilities or in exercising the rights granted Grantee in the Franchise; *provided, however*, such indemnification shall not extend to injury or damage caused by the negligence or willful misconduct of the Town, its agents, officers, employees, volunteers or assigns.

B. In the event any such claim or demand be presented to or filed with the Town, the Town shall promptly notify Grantee thereof (and in any event prior to the date that Grantee's rights to defend such claim or demand would be prejudiced), and Grantee shall have the right, at its election and at its sole cost and expense, to settle and compromise such claim or demand, provided further, that in the event any suit or action be begun against the Town based upon any such claim or demand, the it shall likewise promptly notify Grantee thereof, and Grantee shall have the right, at its election and its sole cost and expense, to settle and compromise such suit or action, or defend the same at its sole cost and expense, by attorneys of its own election.

Section 6. Default.

A. If Grantee shall fail to comply with any of the provisions of the Franchise, unless otherwise provided in the Franchise, the Town will serve upon Grantee a written order to comply within thirty (30) days from the date such order is received by Grantee. If

Grantee is not in compliance with the Franchise after expiration of the thirty (30) day period, the Town may act to remedy the violation and may charge the reasonable costs and expenses of such action to Grantee. The Town may act without the thirty (30) day notice in case of an Emergency Situation. If any failure to comply with the Franchise by Grantee cannot be corrected with due diligence within said thirty (30) day period, then the time within which Grantee may so comply shall be extended for such time as may be reasonably necessary and so long as Grantee works promptly and diligently to effect such compliance. During such a period, if Grantee is not in compliance with the Franchise, and is not proceeding with due diligence in accordance with this section to correct such failure to comply, then the Town may in addition, by ordinance and following written notice to Grantee, declare an immediate forfeiture of the Franchise and all of Grantee's rights and obligations thereunder.

B. In addition to other remedies provided in this Franchise or otherwise available at law, if Grantee is not in compliance with requirements of the Franchise, and if a good faith dispute does not exist concerning such compliance, the Town may place a moratorium on issuance of pending Grantee Right-of-Way use permits until compliance is achieved.

Section 7. Nonexclusive Franchise. The Franchise granted by this Ordinance is not and shall not be deemed to be an exclusive franchise. The Franchise granted by this Ordinance shall not in any manner prohibit the Town from granting other and further franchises over, upon, and along the Franchise Area. The Franchise granted by this Ordinance shall not prohibit or prevent the Town from using the Franchise Area or affect the jurisdiction of the Town over the same or any part thereof.

Section 8. Franchise Term.

A. Unless earlier terminated by Grantee upon notice to the Town, the Franchise is and shall remain in full force and effect for a period of ten (10) years from and after the effective date of this Ordinance, provided that the term may be extended for an additional five (5) years upon the agreement of Grantee and the Town; and provided further, however, Grantee shall have no rights under the Franchise nor shall Grantee be bound by the terms and conditions of the Franchise unless Grantee shall, within thirty (30) days after the effective date of this Ordinance, file with the Town its written acceptance of the Franchise, in a form acceptable to the Town Attorney.

B. If the Town and Grantee fail to formally renew the Franchise prior to the expiration of its term or any extension thereof, the Franchise shall automatically continue in full force and effect until renewed or until either party gives written notice at least one hundred eighty (180) days in advance of intent not to renew the Franchise.

Section 9. Compliance with Codes and Regulations.

A. The rights, privileges and authority herein granted are subject to and governed by this Ordinance, the applicable laws of the State of Washington and the applicable laws of the United States, and all other applicable ordinances and codes of the Town of Eatonville, as they now exist or may hereafter be amended, including but not limited to the provisions of Eatonville Municipal Code Title 12. Nothing in this ordinance limits the Town's lawful power to exercise its police power to protect the safety and welfare of the general public. Any location, relocation, erection or excavation by Grantee shall be performed by Grantee in accordance with applicable federal, state and town rules and regulations, including the Town's Public Works Policies and Standard Plans, and any required permits, licenses or posted fees, and applicable safety standards then in effect.

B. In the event that any territory served by Grantee is annexed to the Town after the effective date of the Franchise, such territory shall be governed by the terms and conditions contained herein upon the effective date of such annexation.

C. The Town acknowledges that Washington law currently limits the tax the Town may impose on Grantee's activities hereunder to 6% of revenue derived from the provision of network telephone service (i.e., "telephone business" as defined in RCW 82.16.010) and that the federal Internet Tax Freedom Act prohibits the imposition of a tax or other fee on revenue derived by Grantee from Grantee's provision of Internet access services. Grantee agrees that if federal or Washington law is changed, Grantee, following not less than ninety (90) days written notice from the Town, will negotiate in good faith with the Town to amend the Franchise to expand the revenue base on which such tax is applied. To the extent Grantee's activities are subject to the Town's tax on the provision of network telephone service, Grantee agrees to remit said tax to the Town on a quarterly basis.

Section 10. Undergrounding. New Facilities shall be installed underground pursuant to Section 4 of the Franchise. Grantee acknowledges the Town's policy of undergrounding of Facilities within the Franchise Area. Grantee will cooperate with the Town in the undergrounding of Grantee's existing Facilities within the Franchise Area. If during the term of the Franchise, the Town shall direct Grantee to underground Facilities within any Franchise Area, such undergrounding shall be at no cost to the Town except as may be provided in RCW Chapter 35.99. Grantee shall comply with all federal, state, and Town regulations on undergrounding. If the Town undertakes any street improvement which would otherwise require relocation of Grantee's above-ground Facilities, the Town may, by written notice to Grantee, direct that Grantee convert any such Facilities to underground Facilities.

Section 11. Record of Installations and Service.

A. With respect to excavations by Grantee and the Town within the Franchise Area, Grantee and the Town shall each comply with its respective obligations pursuant to Chapter 19.122 RCW and any other applicable state or federal law.

B. Upon written request of the Town, Grantee shall provide the Town with the most recent update available of any plan of potential improvements to its Facilities within the Franchise Area; provided, however, any such plan so submitted shall be for informational purposes within the Franchise Area, nor shall such plan be construed as a proposal to undertake any specific improvements within the Franchise Area.

C. As-built drawings and maps of the precise location of any Facilities placed by Grantee in any Rights-of-Way shall be made available by Grantee to the Town within ten (10) working days of the Town's written request. These plans and maps shall be provided at no cost to the Town and shall include hard copies and/or digital copies in a format commonly used in the telecommunications industry.

Section 12. Shared Use of Excavations and Trenches.

A. If either the Town or Grantee shall at any time after installation of the Facilities plan to make excavations in the area covered by the Franchise and as described in this Section, the party planning such excavation shall afford the other, upon receipt of written request to do so, an opportunity to share such an excavation, *provided that*: (1) such joint use shall not unreasonably delay the work of the party causing the excavation to be made or unreasonably increase its costs; (2) such joint use shall be arranged and accomplished on terms and conditions satisfactory to both parties. In addition, pursuant to RCW 35.99.070, the Town may request that Grantee install additional conduit, ducts and related access structures for the Town pursuant to contract, under which Grantee shall recover its incremental costs of providing such facilities to the Town.

B. The Town reserves the right to not allow open trenching for five years following a street overlay or improvement project. Grantee shall be given written notice at least ninety (90) days prior to the commencement of the project. Required trenching due to an emergency will not be subject to five (5) year street trenching moratoriums.

C. The Town reserves the right to require Grantee to joint trench with other franchisees if both entities are anticipating trenching within the same franchise area and provided that the terms of this Section are met.

Section 13. Insurance.

A. Grantee shall procure and maintain for the duration of the Franchise, insurance against claims for injuries to persons or damage to property which may arise from or in

connection with the performance of work under the Franchise by Grantee, its agents, representatives or employees in the amounts and types set forth below pursuant to KMC 26.40.020:

1. Commercial General Liability insurance with limits no less than \$5,000,000 combined single limit for bodily injury (including death) and property damage, including premises operation, products and completed operations and explosion, collapse and underground coverage extensions;

2. Automobile liability for owned, non-owned and hired vehicles with a combined single limit of \$3,000,000 for each accident for bodily injury and property damage; and

3. Worker's compensation within statutory limits and employer's liability insurance with limits of not less than \$1,000,000 for each accident/disease/policy limit or as required by law.

B. Grantee's insurance coverage shall be primary insurance as respects the Town. Any insurance, self-insurance or insurance pool coverage maintained by the Town shall be in excess of Grantee's insurance and shall not contribute with it.

C. Grantee shall furnish the Town with certificates of the foregoing insurance coverage or a copy of amendatory endorsements, including but not necessarily limited to the additional insured endorsement.

D. Grantee shall have the right to self-insure any or all of the above-required insurance. Any such self-insurance is subject to approval by the Town.

E. Grantee's maintenance of insurance as required by the Franchise shall not be construed to limit the liability of Grantee to the coverage provided by such insurance, or otherwise limit Town's recourse to any remedy to which the Town is otherwise entitled at law or in equity.

Section 14. Assignment.

A. All of the provisions, conditions, and requirements herein contained shall be binding upon Grantee, and no right, privilege, license or authorization granted to Grantee hereunder may be assigned or otherwise transferred without the prior written authorization and approval of the Town, which the Town may not unreasonably withhold. Notwithstanding the foregoing, Grantee, without the consent of, but upon notice to the Town, may assign this agreement in whole or in part to: (a) an Affiliate (as defined in this Ordinance); or (b) a lender for security purposes only.

B. Grantee may lease the Facilities or any portion thereof to another or provide capacity or bandwidth in its Facilities to another, *provided that*: Grantee at all times retains exclusive control over such Facilities and remains responsible for locating, servicing, repairing, relocating or removing its Facilities pursuant to the terms and conditions of the Franchise.

Section 15. Abandonment and Removal of Facilities. Upon the expiration, termination, or revocation of the rights granted under the Franchise, the Grantee shall remove all of its Facilities from the Rights-of-Way of the Town within ninety (90) days of receiving notice from the Town's Public Works Director; *provided however*, that the Town may permit the Grantee's improvements to be abandoned in place in such a manner as the Town may prescribe. Upon permanent abandonment, and Grantee's agreement to transfer ownership of the Facilities to the Town, the Grantee shall submit to the Town a proposal and instruments for transferring ownership to the Town. Any such Facilities which are not permitted to be abandoned in place which are not removed within ninety (90) days of receipt of said notice shall automatically become the property of the Town; *provided however*, that nothing contained within this Section shall prevent the Town from compelling the Grantee to remove any such Facilities through judicial action when the Town has not permitted the Grantee to abandon said Facilities in place.

Section 16. Miscellaneous.

A. If any term, provision, condition or portion of this Ordinance shall be held to be invalid, such invalidity shall not affect the validity of the remaining portions of this Ordinance which shall continue in full force and effect. The headings of sections and paragraphs of this Ordinance are for convenience of reference only and are not intended to restrict, affect, or be of any weight in the interpretation or construction of the provisions of such sections of paragraphs.

B. Grantee shall pay for the Town's reasonable administrative costs in drafting and processing this Ordinance and all work related thereto, which payment shall not exceed \$2,000. Grantee shall further be subject to all published permit fees associated with activities and the provisions of any such permit, approval, license, agreement of other document, the provisions of the Franchise shall control.

C. Failure of the Town to declare any breach or default under this Franchise or any delay in taking action shall not waive such breach or default, but the Town shall have the right to declare any such breach or default at any time. Failure of the Town to declare one breach or default does not act as a waiver of the Town's right to declare another breach or default.

D. Notwithstanding anything to the contrary herein, any determination by the Town with respect to matters contained in this Ordinance and matters related to the Franchise

shall be made in accordance with applicable federal law, including without limitation any applicable rules and regulations promulgated by the Federal Communications Commission, applicable state law and in a reasonable and non-discriminatory manner.

Section 17. Notice. Any notice or information required or permitted to be given to the parties under this Franchise may be sent to the following addresses unless otherwise specified:
