RE: EATONVILLE POLICE DEPARTMENT'S
FEBRUARY 2019 REPORT

General

I would like to thank the Mayor, Council, Town Administrative Staff, Police Officers and the Citizens for making the transition to Interim Chief go smoothly. It is my intention to keep the Eatonville Police Department running as efficiently as possible until a new Police Chief can be named. Please feel free to contact me with any issues related to the operations of the Eatonville Police Department.

I would also like to apologize to the Mayor and Council for my absence at this meeting. I had a previously scheduled engagement which required me to be out of state for a few days.

Public Safety Committee

No Public Safety Committee Meeting was held in February.

Training

I am in the process of working with PCSD to obtain access to Online Training Classes for all Eatonville Police Officers. This is the same training that is available to PCSD Deputies. This training is in addition to the mandatory Annual Training and is intended to keep officers up to date on patrol and investigative matters.

Management Activities

The open Police Officer Position has been posted and is currently scheduled to be open until March 18th, 2019. As of 03/05/19 there are currently seven (7) entry level applicants and one (1) lateral applicant with four (4) additional applicants in the testing process.
