**Town of Eatonville**  
**APPLICATION GUIDELINES FOR 2018 LODGING TAX FUNDS**  
***Application Deadline: 60 Days Before Event***

**INTRODUCTION:**

The Revised Code of Washington (RCW) provides authority for cities to adopt a lodging tax of up to 4% of lodging charges made by hotels and motels. Town of Eatonville receives lodging tax funding and invests these revenues in community events and projects that attract visitors and tourism dollars to Eatonville.

RCW 67.28.080 allows the use of lodging tax revenues in either of two categories below:

"Tourism promotion" means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding the marketing of or the operation of special events and festivals designed to attract tourists.

"Tourism-related facility" means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a)(i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501(c)(3) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce; and (b) used to support tourism, performing arts, or to accommodate tourist activities.

**Application Requirements:**

RCW 67.28.1816 requires applicants applying for any use of lodging tax revenues must now provide estimates of how any moneys received will result in increases in the number of people travelling for business or pleasure on a trip:

2. To a place fifty miles or more one way from their place of residence or business for the day or staying overnight; or
3. From another country or state outside their place of residence or their business.

### **Reporting Requirements:**

RCW 67.28.1816 also requires recipients of lodging tax funds must report to the Town describing the actual number of people travelling for business or pleasure on a trip:

1. Away from their place of residence or business and staying overnight in paid accommodations;
