POLICE DEPARTMENT- CHIEF BRIAN WITT

## M E M O R A N D U M

---

**DATE:** 7/3/2018  
**TO:** MAYOR SCHAUB AND TOWN COUNCIL  
**RE:** EATONVILLE POLICE DEPARTMENT'S  
JUNE 2018 REPORT

---

### ***Community Support***

- All Town residents can now apply for and receive their State of Washington Concealed Pistol License through the Eatonville Police Department. If interested, contact Gaille at the Police Department on Tuesdays and Wednesdays between 9:00 am and 4:00 pm. For full details and costs, please refer to the Town of Eatonville website or Facebook page for the two page fact sheet.
  - Please refer to the calls for service summary for number issued.
- Vacation checks can be requested by contacting Gaille or any officer and filling out the request form.

### **Public Safety Committee**

Please see Committee report for details

### **Recent Events**

Officer Anderson worked the Rod Knockers car show on June 23<sup>rd</sup>. The event was well attended and traffic disruptions were at a minimum. I would like to thank the Eatonville Public Works Dept.

### **Training**

2018 Mandatory Training (40 hours) has been attended by most Officers.

I would like to see that all of our Officers receive refresher training on incident command/incident response in 2018.

We will have at least one more Eatonville Officer attend the 40 hour Crisis Intervention Training class in 2018. This will bring us in line with the state's recommendation.

I received my Executive Certification from the Washington State Criminal Justice Training Commission in early July.

## ***Management Activities***

- We recently revisited our Mission Statement and Core Values in a staff meeting. The Mission Statement is being simplified to reflect our values and commitment to the town. It states, "**THE MISSION OF THE EATONVILLE POLICE DEPARTMENT IS TO MAINTAIN HUMAN RIGHTS, PROTECT PROPERTY AND HOLD OURSELVES ACCOUNTABLE TO OUR COMMUNITY**". Our core values will remain **PROFESSIONALISM, ETHICS, ACCOUNTABILITY, COMPASSION, and EXCELLENCE**. Our vision statement will be reviewed in the near future. This process was suggested during our LEMAP review.
- I am writing this on July 3<sup>rd</sup> as we prepare for our fireworks show and tomorrow's parade. The Chamber of Commerce has held several planning sessions for these events. Police and Fire have been invited/included in the process. I will have more at the Council Meeting.
- Our National Night Out planning meeting will be held at 5:00 PM on 07/12/18. I would like to encourage any resident or business owner to attend. We will be discussing our plans for the August 7 event and the topics that we will cover. Dinner (hot dog, chips, and a cookie or sweet) is on the Eatonville Police Department.

## **Significant Cases/Issues**

There was a burglary/vandalism at the High School last weekend. Pierce County Forensics responded and processed evidence that Officer Wade had recovered as well as the scene. We are optimistic that this evidence will lead to the arrest of a suspect(s). It was obvious that the suspect(s) got red paint on their hands when the spray painted racist and vulgar graffiti on the buildings. If anyone has information on this crime, please call the station at (360) 832-6111 or dispatch at (253) 798-4721. This is regarding case #1818200898. Thank You
