NEW BUSINESS – Marijuana Zoning and Set Public Hearing

Abby Gribi, Town Administrator explained that the Town Council has referred the marijuana zoning regulations to the Planning Commission to review and make a recommendation back to the Town Council. She stated that the Town Council’s preference is to keep the 1,000 foot buffer.

Town Attorney Greg Jacoby gave a summary of the marijuana proceedings that have taken place to date and informed the Commission that the purpose of the meeting tonight is to review the proposed recommendations, set a public hearing date to receive feedback and report a recommendation to the Town Council after the public hearing had been held.

The commission reviewed the proposed changes and set a public hearing date.

Judy Justice made a motion to set a public hearing for April 1, 2019 and was seconded by Commissioner Knick. All were in favor.

Abby Gribi, Town Administrator asked the commissioners if they wanted to finish reviewing the marijuana regulations before completing the review of the Design Guidelines that the Planning Commission has already started. It was determined if Commissioners were available to attend meetings that they would like to continue the review of the Design Guidelines.
