

RESOLUTION 2019-O

A RESOLUTION SETTING THE RATES FOR REFUSE COLLECTION AND RECYCLING COLLECTION IN THE TOWN OF EATONVILLE AND REPEALING RESOLUTION 2018-H

WHEREAS, the Town of Eatonville contracts services with the Harold Lemay Enterprises, A Waste Connections Company, and the rates charged to the Town have been changed; and,

WHEREAS, on May 13, 2019 the Town Council approved Resolution 2019-N an addendum to the Exclusive Franchise Agreement with Pierce County Refuse for the collection, hauling and disposal of municipal solid waste, recyclable materials, and construction and demolition waste in the Town of Eatonville that included a rate increase of \$1.98 per month, per customer; and,

WHEREAS, United States Code Title 49, 14501 prohibits the Town from setting commercial recycling rates, including school recycling rates, requiring the Council to authorize the pass through of these costs; and,

WHEREAS, the rates proposed herein are a pass through of the increase that is included within the addendum to the franchise agreement and are projected to cover the Town’s expenses for administering a refuse utility; and,

WHEREAS, this resolution establishes an annual consumer price index adjustment which will assist in the budgeting process, but may not always be sufficient to cover the actual disposal cost increases passed along by the Harold Lemay Enterprises, A Waste Connections Company, and the rates established herein may require intermittent review and adjustment.
