POLICE DEPARTMENT - CHIEF JASON LALIBERTE

---

## MEMORANDUM

---

**DATE:** 11/12/2019  
**TO:** MAYOR SCHAUB AND TOWN COUNCIL  
**FROM:** CHIEF JASON LALIBERTE  
**RE:** EATONVILLE POLICE DEPARTMENT'S  
OCTOBER 2019 REPORT

---

### **General**

I continue to provide training, mentoring, and leadership to our officers and to explore avenues to connect with and educate the citizens of Eatonville.

### **Public Safety Committee**

There was no public safety meeting in October.

### ***Management Activities***

I am researching the possibility of using a video conferencing system for court appearances in Bonney Lake. This would eliminate the need for an EPD Officer to transport a prisoner from the Pierce County Jail, to Bonney lake court, and then back to the Pierce County Jail. These transports take our EPD Officer out of service for most of their shift and opens up the possibility of the Pierce County Sheriff's Department to supplement coverage at a negotiated fee.

I am putting together an active shooter training program for the employees of the town. I am collaborating with the Pierce County Sheriff's Department on this task.

The search for the Chief's assistant is underway. The background process and polygraph examination is in progress for the current top candidate.
