RE: EATONVILLE POLICE DEPARTMENT'S
DECEMBER 2019 REPORT

General

2019 was a great year and I am looking forward to the year 2020. I will continue to look for innovative ways to improve our Department and better serve our community.

Public Safety Committee

There was no public safety committee meeting in December.

Management Activities

I will be researching and writing a grant for auto license plate readers (LPR) for one or more of our officer's patrol vehicles. The LPRs will be a great asset and assist Officers in identifying stolen vehicles without the need to type in plates manually.

Glen Yates, assistant to the Chief, is proving to be a huge asset and is a quick study. He continues to take on additional tasks and fill his time with proactive activities.
