APPLICATION GUIDELINES FOR 2020 LODGING TAX FUNDS
Application Deadline: 60 Days Before Event

INTRODUCTION:

The Revised Code of Washington (RCW) provides authority for cities to adopt a lodging tax of up to 4% of lodging charges made by hotels and motels. Town of Eatonville receives lodging tax funding and invests these revenues in community events and projects that attract visitors and tourism dollars to Eatonville.

RCW 67.28.080 allows the use of lodging tax revenues in either of two categories below:

“Tourism promotion” means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding the marketing of or the operation of special events and festivals designed to attract tourists.

“Tourism-related facility” means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a)(i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501(c)(3) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce; and (b) used to support tourism, performing arts, or to accommodate tourist activities.
