COUNCIL MEMBER COMMENTS

Councilmember Dunn asked if, when Governor Inslee lifts the mandate it is the Town's intent to mirror that, specifically regarding the Rod Knockers and the 3rd/4th of July celebrations. The Mayor stated that the Town's proclamation is tied to the Governor's. We are hoping that it does not impact those events, but it's uncertain and there is more to come. Dunn thanked the Town staff for putting together this meeting format.

Councilmember Walter asked Interim Fire Chief Curtis if they know how many, if any, have tested positive for Covid-19 in our area. The Mayor clarified that, due to HIPPA and our population, that specific information is not released. The Chief agreed and stated that even if they did know they could not disclose.

Councilmember Thomas stated that he saw that the Town paid the attorney to study the emergency procedure and he would like to make a motion to have the Legislative committee codify the Mayor's Emergency procedures in the event there ever a pandemic again.

Councilmember Hannah thanked Chief Curtis for his services and thanked Miranda for putting together the virtual meeting.

ADJOURNMENT

With all business completed, Mayor Schaub adjourned the meeting at 7:31 PM.
