

EATONVILLE

POLICE DEPARTMENT- CHIEF JASON LALIBERTE

M E M O R A N D U M

DATE: 01/11/2021
TO: MAYOR SCHAUB AND TOWN COUNCIL
FROM: CHIEF JASON LALIBERTE
RE: EATONVILLE POLICE DEPARTMENT'S
DECEMBER 2020 REPORT

General

I am proud of my officers for facing and conquering the unprecedented challenges of COVID 19 during the year 2020. We have learned to adapt and embraced the changes that effect how we work and live.

I look forward to this new year and hope that positive change and advancements can be made and return to what we used to consider "normal".

We are always striving to provide the best service possible to our citizens and we consistently evaluate what or how we can do better.

Public Safety Committee

There was no public safety committee meeting in December.

Management Activities

The King County Regional Automated Fingerprint Identification System (AFIS), supported by the King County Sheriff's Officer (KCSO), has provided training to Officers Duran and McGuire on the use of Remote Electronic Fingerprint Capture Equipment (RFCE). They will also be providing a loaner RFCE for a 90 day trial period in which our agency and the KCSO will evaluate whether or not to continue the program. If EPD finds benefit in the system after the trial period, we would then need to purchase a system of our own (approximately \$1200.00). We expect to take possession of the trial RFCE late February 2021.

December 2020 statistics below

RE: Fire Chiefs Report

SOUTH PIERCE FIRE AND RESCUE

- SPFR is moving forward with the recruitment process for additional Volunteer Firefighters. This includes an orientation, written exam., and oral board, physical agility, and medical examinations. We are hoping for 5-10 people in the March 2021 academy
- We would like to congratulate FF's Emily Silver-Colton and Francisco Quiroz who graduated from the Pierce County Volunteer Fire Academy. We are also expecting FF Brenden Zurfluh to graduate from the Buckley Volunteer Fire Academy on January 23rd.
- SPFR accepted delivery of a new Medic Unit on December 22, 2020. It is currently being stocked and outfitted with radios. I will be in service 2nd week of January
- Construction continues the new Brush Rig for the District
- Cumulative calls for 2020 were 2,797 with 319 of them in Eatonville/SPFD 43's response area.
- Current response information is as follows: December 2020

District	Medical/Emergency Responses Dec.
17 SPFR	195
Eatonville/SPFD43	19
PCFD 23 Trans/Assist	6
Graham Fire	8
Central Pierce Fire	6
Other	1
Total	231

Eatonville Planning Commission

Monthly Report to the Town Council

1/5/2021

To: Town Council

From: Daniel Adams, Chairman

General

With renewed vigor, the Planning Commission is prepared to tackle 2021 and bring to an end the questions we have been tasked with researching and answering for the council for so long. I am grateful and would like to thank the other members of the commission for having faith in my abilities to execute this position of chair and will do my best to lead them through this year.

Current Tasks

We are currently working through the agenda items you approved for our last meeting we just had on 1/4/2021. In our last meeting we discussed all items but we need more time to continue the current work.

- **Elections 2021:** We held our yearly elections and Daniel Adams was elected Chairman, David Baublits as the Co-Chairman, and Judy Justice as the Secretary.
- **Review of Title 17.04 and 17.44, Assigned January 2021:** Currently the Commission and Abby are researching other jurisdictions for how they categorize and codify "Large Lot Subdivisions." I expect we will have more progress to report and possibly a recommendation before the late Spring.
- **Planning Department Review and Analysis, Assigned Summer 2020:** We are going to be looking at the survey results that the previous Chairwoman conducted and received in our next meeting and begin to finally start work in earnest on this subject. Before we start that survey review we will be making sure we will be refreshing ourselves regarding recommended and required protocols for handling such information in a public meeting as per the Public Records Act

plus OPMA. Please be patient with us as this delicate subject will also include work regarding code review and a practices review from all parties involved in the town planning and building process as per our investigative purview.

- **Design Standard Review, Assigned early 2018:** We have received the drafts of the Title 19 review. I asked my fellow Planning Commission members to go through the changes and be ready to provide feedback to town staff for any additions or changes they would like to see in the next meeting. I expect to have within 2-3 more meetings, barring any glaring issues they have with it to warrant more meetings, a final draft to send your way for recommendation and approval as much of the legwork was done before the pandemic affected our operations as a commission.

I humbly request on behalf of the other Commission members that we keep these same agenda items except for the election of officers for our next meeting in February. Please see below for the items:

1. Review of Title 17.04 and 17.44
2. Planning Department Review and Analysis
3. Design Standard Review and Analysis

Thank you and I will be at the meeting this next week if you have any questions for me.

Humbly,
Daniel Adams
Chairman Eatonville Planning Commission
