- Fix several water leaks around town
- Monitor water projects
- Clean storm system
- Monitor heavy rain drainage.

Eatonville Planning Commission

Monthly Report to the Town Council

2/1/2021

To: Town Council

From: Daniel Adams, Chairman

General

The last meeting was intense to say the least but we did have forward movement on the agenda items presented to us and wish to work on them further. We welcomed the new commission members Jodi Rivera and Kyle Litzenberger. We are happy to have them with us.

Current Tasks

We are currently working through the agenda items you approved for our last meeting we just had on 1/11/2021. In our last meeting we discussed all items but we need more time to continue the current work.

- **New Business item: Initiation of the 2021 Comprehensive Plan Amendment Cycle:** We had two separate applications for a rezone on the north end of town on Meridian from Multifamily to Commercial. We approved that the applications be moved forward for department review. To be continued.
- **Review of Title 17.04 and 17.44, Assigned January 2021:** Discussions were had. We tabled this item for our next meeting. It is not a light issue and we discussed it at great length. Please listen to the recording for more details.
- **Planning Department Review and Analysis, Assigned Summer 2020:** We discussed this item at length as well. The goal was to begin to analyze the findings of the survey and discussions will continue into the future and tabled this item for the next meeting. Again, please listen to the recording for more detail.
- **Design Standard Review, Assigned early 2018:** We did not have time to get to this item and have since tabled it until the next meeting.

I humbly request on behalf of the other Commission members that we keep these same agenda items except for the Comprehensive Plan Amendment for our March meeting.

1. Review of Title 17.04 and 17.44
2. Planning Department Review and Analysis
3. Design Standard Review and Analysis

Thank you and I will be at the meeting this next week if you have any questions for me.

Humbly,
Daniel Adams
Chairman Eatonville Planning Commission

EATONVILLE

POLICE DEPARTMENT- CHIEF JASON LALIBERTE

M E M O R A N D U M

DATE: 02/08/2021
TO: MAYOR SCHAUB AND TOWN COUNCIL
FROM: CHIEF JASON LALIBERTE
RE: EATONVILLE POLICE DEPARTMENT'S
JANUARY 2021 REPORT

General

I am proud of my officers for stepping up during the month of January and taking on extra tasks and providing support for the COVID vaccine dissemination at EHS and for participating in the multi-jurisdictional street racing emphasis.

Public Safety Committee

There was no public safety committee meeting in January.

Management Activities

I discovered that the Eatonville Police Department was not vetted by the Washington Association of Sheriff's and Police Chiefs (WASPC) and not Federally certified to receive discretionary grant monies. To rectify this, I provided documentation that EPD meets the requirements for eligibility and complies with the U.S. Department of Justice's Standards for Certification on Use of Force and Safe Policing for Communities. Our application was accepted and EPD is now eligible for Department of Justice grants.

We are moving forward with the mobile fingerprint identification beta program. The vendor is working with our I.T. department to ensure compatibility and security of the systems. We anticipate getting two scanners to test for a 3 month period.
