Permanent Committee Policy

General Guidelines

The members of all advisory committees are appointed by the Town Council. Advisory committees will consist of two Council members, a Chairman and a Co-Chair.

The primary roll of all committees is to review and make recommendations to the Town Council on matters within their scope of responsibility, and to promote increased public participation in determining Town policies and program implementation.

The specific role of the committees is as a principal reviewing body of the Town on specific matters referred to it by the Town Council. All decisions, however, are advisory with final disposition made by the Town Council.

Committees should represent the general interests of the Town as a whole and not specific program areas or special interest groups.

Committee members should make every effort to uphold their reputation for honesty, fairness and openness with the citizens of the community. Each group will undoubtedly consist of diverse personalities; it is important we work together to accomplish common goals. When members interact positively, the internal organization runs smoothly and the group is functional. The ideal committee works toward consensus solutions after a good deal of technical study. It should clarify the various positions in order that its recommendations allow a rational decision on the part of Council.

All official meetings of the committee shall comply with the Open Public Meetings Act.

The Chairman

1. Serves a twelve month term
2. Presides over all committee meetings
3. Serves as the official spokesman for the committee
4. Develops committee meeting agenda and submits a copy to Town staff
5. Prepares meeting minutes and submits a copy to Town staff

The Co- Chairman

1. Presides at all committee meetings in the absence of the chairman
2. Will notify the Chairman as early as possible of a meeting absence
3. Performs other duties as assigned by the chairman

ATTENDANCE

No more than two consecutive unexcused member absences from meetings that are held monthly, and one unexcused member absence from meetings that are held quarterly, will be permitted. Any excess absences will result in automatic forfeiture of office.

MEETING FREQUENCY

Regular meetings of the committee shall be held at least quarterly at a date so determined by the committee Chair. The Chair will submit a yearly schedule of meeting dates, times and location to Town staff by January 31st each year. The yearly meeting schedule will be posted on the Town of Eatonville website.

AGENDA

It shall be the responsibility of the individual committee to create an agenda for each meeting and submit a copy to the Town Clerk before the meeting. Agendas shall be entered in a book constituting the official record of the committee.

MINUTES

It shall be the responsibility of the individual committee to record and maintain minutes for all meetings. These minutes shall be “summary” and not “verbatim” and will briefly describe the meeting. Certain issues may require more detailed minutes as considered necessary by the members. Minutes shall be turned in to the Town Clerk within two weeks after each Committee meeting and entered in a book constituting the official record of the committee. Minutes must be turned in to the Town Clerk before any Committee member may receive compensation for attending as a Town delegate.
