Agenda Staff Report

Agenda Item No.:	<u>Ordinance No. 2015-7</u>	Meeting Date:	<u>September 14, 2015</u>
Subject:	<u>Amending the EMC by deleting</u>	Prepared by:	<u>Gregory A. Jacoby</u>
	<u>Sections 10.08.070 and 10.08.080</u>		<u>Town Attorney</u>
	<u>so as to maintain a uniform speed limit</u>	Atty Routing No:	<u>036-15</u>
	<u>of 25 miles per hour on Town streets</u>	Atty Review Date:	<u>September 9, 2015</u>

Summary: State law authorizes a maximum speed limit of twenty-five (25) miles per hour on city and town streets. EMC section 10.08.010 provides that the maximum speed limit on Town streets shall be twenty-five (25) miles per hour, **except as otherwise provided by ordinance.** By separate ordinances, the Town Council has set the maximum speed limit on Alder Street East between Mashell and Madison Avenues and in the Hammer Springs House Development at fifteen (15) miles per hour. These areas are not posted with signs identifying the lower speed limit. The Police Chief has requested that the Town adopt uniform speed limits on all Town streets. The public safety committee has considered the Police Chief's request and recommends approval.

The proposed ordinance would delete sections 10.08.070 and 10.08.080. As a result, in accordance with EMC 10.08.010 the speed limit on all Town streets would be twenty-five (25) miles per hour. This change does not deprive the Town Council of authority to lower the speed limit on any Town street should future conditions warrant such a change. These changes would not affect the speed limit in Town alleys (15 mph) or on the sections of SR 161 located within the Town.

Recommendation: Staff recommends approval of the first reading of Ordinance No. 2015-7 amending the Eatonville Municipal Code by deleting sections 10.08.070 and 10.08.080 so as to maintain a uniform speed limit of 25 miles per hour on all Town streets.

Motion for consideration: I move to approve the first reading of Ordinance No. 2015-7 amending the Eatonville Municipal Code by deleting sections 10.08.070 and 10.08.080 so as to maintain a uniform speed limit of 25 miles per hour on all Town streets.

Fiscal Impact: None
